

**Ph. D. Program in Chemistry**  
**Certification of Dissertation by**  
**Thesis Committee Members**

Candidate \_\_\_\_\_

Title of Dissertation \_\_\_\_\_

---

I accept the candidate's dissertation as presented.

The candidate's dissertation will be considered acceptable after minor revisions are made and approved by the Research Mentor.

The candidate's dissertation requires major revisions before a Final Examination can take place. The revised dissertation must be submitted to the Thesis Committee before the Final Examination is scheduled.

**Note that the Final Oral Examination can be scheduled only after every member of the Thesis Committee completes this form.**
