Leadership Alliance First 100 Doctoral Scholars	2008
African American Mental Health Research Scientist (AAMHRS) Consortium	
NIMH Research Scientist Grant-Mentoring Program <i>Mentee Scholar</i>	2006-2007
American College of Neuropsychopharmacology (ACNP) Travel Awardee	2006
Fordham Dissertation Award, Fordham University	2003
Fitzpatrick Graduate Fellowship, Fordham University	1998-2002
Cornell Tradition Fellow, Cornell University	1994-1998

RESEARCH GRANT SUPPORT**Completed**

New York State (NYS) Center of Excellence for Cultural Competence at the NYS Psychiatric Institute, NYS Office of Mental Health
Principal Investigator: "Ethnicity and risk for endorsement of psychotic-like experiences in a non-clinical young adult student population"
 Dates: June 1, 2010-August 31, 2010
 Total Award = \$26,000

PSC CUNY Grant Award: 60024-39 40, The City College of New York
Principal Investigator: "The effects of a history of incarceration and racial discrimination on psychosis in a nationally representative US Black population"
 Dates: July 1, 2009- June 30, 2010
 Total Award = \$2,400

National Institute of Health/NIMH 3 R01 MH060911-06S1

Recipient of diversity supplement for “Personality disorder over 20 years: Risks, course and impact, Patricia Cohen (PI). Studied early childhood and adolescent risk factors for schizophrenia spectrum symptoms in a cohort that has been assessed prospectively for over 20 years

Dates: 9/1/2006-7/30/2008

Total Award: \$342,140

Frontier Award, New York State Psychiatric Institute, Columbia University, Department of Psychiatry

Principal Investigator, “The effects of ethnicity, class, and gender on psychiatric diagnostic patterns”

Dates: 2005-2007

Total Award = \$10,000

Under Review

CCNY White Paper Competition to submit a SCORE grant to NIH

Principal Investigator: “Differentiating cultural determinants of subclinical psychotic and prodromal symptoms from clinical psychotic disorder”

Dates under review: October 2011-

Total Award requested = \$840,000 total direct costs

CLINICAL AND ASSESSMENT EXPERIENCE

Licensure: New York State Licensed Psychologist 2004-present

Private Practice in New York City. Specializing in treatment for depression and anxiety and in child psychoeducational evaluations using neuropsychological testing. 2004-present

Columbia University, Division of Clinical-Genetic Epidemiology 2003-2004

Clinical Interviewer

-Administered and completed narratives for the SADS-LAR-IV for a genetics of anxiety and fear study
PI: Myrna Weissman, Ph.D.

Emory University School of Medicine/Grady Health System, Atlanta, GA 2003

Psychology Intern,

- Primary therapist for a caseload of 2-3 adult patients with serious mental illness.
- Responsible for rapid assessment, crisis intervention, and treatment planning on a psychiatric emergency service.
