

DEIDRE M. ANGLIN

100 Haven Avenue, Tower 3, Rm 31F New York, NY 10032 Email: dma2105@columbia.edu

EDUCATION

- 8/03 **Fordham University, Graduate School of Arts and Sciences, Bronx, NY**
Doctorate of Philosophy, Clinical Psychology
- 2/00 **Fordham University, Graduate School of Arts and Sciences, Bronx, NY**
Masters of Arts, Clinical Psychology
- 5/98 **Cornell University, College of Human Ecology, Ithaca, NY**
Bachelor of Science, Human Development and Family Studies, GPA 3.5

Licensure: New York State Licensed Psychologist

TRAINEESHIP AND FELLOWSHIP EXPERIENCE

- 2/06-2/07 **African American Mental Health Research Scientist (AAMHRS) Consortium**
Research Scientist Grant-Mentoring Program
Mentee Scholar
Primary Mentor: Arthur Whaley, PhD, DrPh
- 8/03-8/06 **Columbia University, Mailman School of Public Health, New York, NY**
National Institute of Mental Health Post-Doctoral Fellow, NRSA T32,
Post-doctoral Research Fellowship in Psychiatric Epidemiology
- 6/02-6/03 **Emory University School of Medicine/Grady Health System, Atlanta, GA**
Predoctoral Internship in Clinical Psychology

GRANT SUPPORT

- 9/06-8/08 NIH Supplement Grant, Research Foundation for Mental Hygiene, Inc.
Department of Psychiatry, Division of Epidemiology, *Minority Investigator*
- 10/05-12/07 Frontier Award, New York State Psychiatric Institute (NYSPI), Columbia University,
Department of Psychiatry. *Principal Investigator*, (10,000 Award)
- 8/05 – present NIH Health Disparities Research Loan Repayment Program
- 2/03 Fordham Dissertation Award, Fordham University, *Principal Investigator*, (2,500 Award)
- 1998-2002 Fitzpatrick Graduate Fellowship

RESEARCH EXPERIENCE

- 2008-present **Columbia University, New York State Psychiatric Institute, Department of Psychiatry, Division of Epidemiology, Adjunct Associate Research Scientist**
Investigating risk factors in the development of schizophreniform symptoms
Principal Investigator: Patricia Cohen
- 8/03-8/06 **Columbia University, Mailman School of Public Health, Department of Epidemiology**
Postdoctoral Research Fellow
- 2006-present **New York State Psychiatric Institute (NYSPI)**

Co-Investigator

Investigating symptom and clinical characteristics of Latino patients who report pseudo-psychotic symptoms.

Primary Investigator: Roberto Lewis-Fernandez

- 8/04-present **New York State Psychiatric Institute (NYSPI)**
Primary Investigator
 Investigating diagnostic bias in patterns of psychiatric diagnoses over time. Investigating the effect of having a family history of affective disorder on phenomenology and neuropsychological outcomes among patients with schizophrenia.
 Co-Investigators: Dolores Malaspina, MD, Arielle Stanford, MD
- 1/04-8/08 **Department of Epidemiology**
Research Investigator
 Investigating racial differences in the stigma of mental illness and disparities in help-seeking beliefs and behaviors.
 Co-Investigators: Bruce Link, PhD, Jo Phelan, PhD, Philip Alberti, MPhil
- 11/02-7/04 **Emory University School of Medicine/Grady Health System**
Primary Researcher
 Religious well-being and suicide acceptability in a sample of African American suicide attempters and non-attempters.
 Co-Investigators: Nadine Kaslow, Ph.D., ABPP, Kamioka Gabriel, Ph.D.
- 12/03- 6/04 **Columbia University, Division of Clinical-Genetic Epidemiology**
Clinical Interviewer
 Administered and completed narratives for the SADS-LAR-IV for a genetics of anxiety and fear study headed by Myrna Weissman, Ph.D.
- 4/01 – 4/03 **Fordham University, Dissertation**
Principal Investigator
 The predictive effects of racial identity, racial socialization, and African-centered belief systems on college adjustment and psychological defenses in African American college students. Dissertation Mentor: Jay Wade, Ph.D.
- 8/00 – 1/01 **Fordham University, Predoctoral Project/Thesis**
Researcher
 Psychometric analysis of the Anxiety Sensitivity Index– Revised (ASI-R) and the Suffocation Fear Scale (SFS). Principal Investigator: Dean McKay, Ph.D.
- 1/97 – 5/98 **Cornell University, College of Human Ecology, Ithaca, NY**
Research Assistant
 Interviewed African-American families in the Head Start Program to develop a socialization assessment sensitive to minority families. Principal Investigator: Katrina Greene, Ph.D.
- 7/97 **University of Pennsylvania Depression Center, Philadelphia, PA**
Research Assistant
 Multi-site cognitive therapy treatment-outcome study for major depression.
 Administered the HAM-D, SCID-I/P, and stroop exercise on control patients in a panic study. Principal Investigator: Robert J. DeRubeis, Ph.D.

CLINICAL AND ASSESSMENT EXPERIENCE

- 9/04-present Private Practice in New York City. Specializing in treatment for depression and anxiety and child neuropsychological testing.

- 7/02 - 7/03 **Emory University School of Medicine/Grady Health System, Atlanta, GA**
Psychology Intern,
 -Primary therapist for a caseload of 2-3 adult patients with serious mental illness.
 -Responsible for rapid assessment, crisis intervention, and treatment planning on a psychiatric emergency service. -Implemented empirically supported treatments on adult patients with panic disorder, social anxiety disorder, and maladaptive relationship patterns.
 -Conducted comprehensive neuropsychological assessments on adults and children.
 -Conducted play therapy and psychoeducational assessment with pre-school and school-aged children.
- 9/99— 5/02 **Fordham Counseling Center, Bronx, NY**
Psychology Trainee
 Trained in intake evaluations, individual psychotherapy, and career interest testing with a college student population.
- 9/00 – 5/01 **Lenox Hill Outpatient Center for Mental Health, NY, NY**
Psychology Trainee. Trained in:
 - individual psychodynamic psychotherapy with an outpatient adult population.
 - neuropsychological testing on adult patients with traumatic brain injury and on children with emotional disturbances and developmental delays. -comprehensive intake evaluations
 -structured and psychodynamic play therapy
- 6/99 – 6/00 **Beth Israel Medical Center**
Psychology Trainee. Trained in:
 - structured group therapy in a continuing day treatment program for adults with severe and recurring mental illness. - Yalom's theory of Inpatient Group Therapy - group therapy on a dual-diagnosis inpatient unit - psychodiagnostic assessment batteries
- 9/98 – 6/00 **Leake and Watts Residential Treatment Center**
Psychological Assessment Volunteer. Trained in:
 - projective, achievement, and cognitive test administration on a residential adolescent population with significant behavioral and emotional disturbances.

TEACHING EXPERIENCE

- 9-04 – 6/05 **Bard High School Early College, New York, NY**
Adjunct Professor,
 Introduction to Psychology
 Abnormal Psychology
- 9/00-5/01 **Fordham University, Bronx, NY**
Lab Instructor, Cognitive Assessment
- 1999 **Fordham University, Bronx, NY**
Teaching Assistant, Experimental Psychology Lab
 - psychometric testing development - data analyses using SPSS - APA- style writing of scientific reports.
