

DIANA PUÑALES MOREJON, PhD, MS.
Licensed Psychologist
Office (212) 305-9167
email: aliama@aol.com

EDUCATION:

- 5/05 Teachers College, Columbia University
Ph.D. in Counseling Psychology
Grade Point Average: 3.96
Dissertation Topic: Latinas and prenatal diagnosis:
A study of coping style, health locus of control,
acculturation and racial identity (**Awarded Distinction**).
- 9/85-9/87 Sarah Lawrence College, Bronxville, NY
Human Genetics Graduate Program
Masters of Science
- 9/79-1/84 Barnard College, Columbia University, New York, NY
Major: Biology; Minor: Psychology
Bachelors of Arts

LANGUAGES: Fluent in English and Spanish

PROFESSIONAL BACKGROUND:

12/08 – present **Director, Psychological Center**
The City College of New York
New York, NY

Responsible for administrating the Psychological Center for provision of full range of psychotherapeutic services; supervising clinical psychology doctoral students, review and assignment of clinical cases for disposition, management of budget, supervision of clinic staff and clinical duties, liason with faculty.

7/01 – present **Psychologist and Director of Externship Program in**
Clinical and Counseling Psychology,

**Psychological Evaluation and Disposition Team Leader,
Administrator for CME Lecture Series “Multicultural
Competence in Psychology and Psychiatry”**

**Tavares Mental Health Clinic
Adult Outpatient Psychiatry Clinics
Department of Psychiatry
Columbia Presbyterian Medical Center, NY**

Responsible for: the provision of individual and group psychotherapy for Spanish speaking patients, performance of psychological evaluations and dispositions. Founder of Externship program; development and coordination of externship, clinical supervision and teaching of advanced doctoral students in externship. Administrator and co-director of CME approved lecture series in multicultural competencies.

6/00 – 5/02 **Genetic Counseling Consultant
Division of Medical Genetics
Beth Israel Medical Center, NY**

Responsible for research activities and grant writing.

7/87 – 6/00 **Senior Genetic Counselor/ Coordinator of Genetic
Counseling
Division of Medical Genetics,
Beth Israel Medical Center, New York, NY**

Coordinated and oversaw the provision of comprehensive genetic counseling patient services; responsible for recruitment, training and evaluation of genetic counseling coordinators and office staff; preparation of grant proposals for the provision of comprehensive genetic services.

Administered budgetary, educational and outreach activities; provided prenatal, pediatric, adult and teratogen genetic counseling and risk assessments to patients in a medical genetics setting in English and Spanish; developed a cancer genetic counseling and testing program for underserved populations; provided supportive counseling to patients and their families regarding fetal anomalies and diagnosis of genetic disease; supervised and evaluated graduate students in genetic counseling.

6/86 – 6/87 **Project Development Specialist and Genetic Counselor,
Initial SPRANS (Special Project of Regional and National
Significance) Grant
Division of Human Genetics
University of Medicine and Dentistry, Newark, NJ**

- 1/86 – 6/86 **Research Assistant**
Department of Genetics,
Lincoln Hospital, Bronx, NY
- Fall 1986 **Admissions Assistant**
Admissions Department
Sarah Lawrence College, Bronxville, NY
- 1/84 – 6/85 **Senior Biochemical Research Technician**
Department of Medicine
Columbia University College of Physician and Surgeons,
New York, NY

CLINICAL TRAINING EXPERIENCE:

- 7/1/00 – 6/30/01 **Clinical Psychology Intern**
Department of Psychiatry
Columbia Presbyterian Medical Center, NY
Training Directors: S. Sussman, PhD and
M. Quitman, PhD
- 1997 – 2000 **Psychology Extern**
Bilingual Treatment Program Clinic and Survivors of
Torture Multidisciplinary Program
Dept. of Psychiatry
Bellevue Hospital, New York, NY
- 1995 – 1998 **Psychology Trainee**
Center for Psychological and Educational Services
Teachers College – Columbia University, New York, NY
- 1994-1996 **Psychology Testing Extern**
Bilingual Treatment Program Clinic
Bellevue Hospital, New York, NY

TEACHING EXPERIENCE:

Lecturer and Clinical Instructor of Seminar in Genetic Counseling I and II (Fall and Spring semesters) at Sarah Lawrence College, 2000 to present.

Co-Instructor of Client Centered Therapy at Sarah Lawrence College, 1997-2000.

Genetic Counseling Training Specialist, Genetics Programs, Ministry of Health, Havana, Cuba ,1996-Present.

Guest Faculty at Sarah Lawrence College, 1990-Present.

Teaching Assistant for Preparations for Group Counseling/Group Dynamics: Fall 1994, Spring 1995, Fall 1995, Spring 1996, Fall 1996, Fall 1997, Fall 1998, Spring 1999.

Teaching Assistant for Preparation for Individual Counseling: Fall 1995, Fall 1996, Summer 1999.

Teaching Assistant for Racial and Cultural Counseling Laboratory, Spring 1997, Spring 1998, Fall 1998, Spring 1999, Summer 1999, Fall 1999, Spring 2000, Summer 2002, Fall 2002.

Teaching Assistant for Counseling and Psychotherapy of Women: Social, Cultural and Intrapsychic Process: Spring 1996, Summer 1997.

Teaching Assistant for Principles and Methods of Counseling Psychology: Spring 1995, Spring 1996.

Teaching Assistant for Race, Racism and Mental Health: Fall 1994.

CONSULTING EXPERIENCE:

Consultant to research project “Cancer Genetic Testing and Counseling for Latino Populations” in partnership with *Redes en Acciones*. Funded by NIH and directed by Amalie Ramirez at Baylor College of Medicine, 1999-present.

Consultant to research project “Genetic Dilemmas in Primary Care: An educational Program”. Funded by NIH and directed by the Hastings Center for Bioethics of New York, 1997-1999.

Consultant to research project “The Impact of Prenatal Diagnosis of Genetic Disabilities,” funded by NIH and directed by the Hastings Center for Bioethics of New York, 1996-1998.

Consultant to “Women and Genetics in Contemporary Society” Grant #R113HG00793, National Center for Human Genome Research, 1995-1997.

PROFESSIONAL MEMBERSHIPS AND BOARDS:

Board of Directors, Park Performing Arts Center, Community Theatre, 2007-present.

Advisory Board Member for the Research Project titled "Genetic Counseling Strategies with Mexican-origin Women" funded by the Institute for Human Genome Research, National Institute of Health, June, 1998-2002.

Advisory Board Member to the American Medical Association's Institute for Ethics Web Site Project to provide ethics information and decision making strategies for people who are considering whether or not to have a genetic test, August 1998-2002.

Advisory Board Member to "Genetic Link: Establishing a Dialogue Between Ethnically Diverse Communities and Genetic Policy Makers" Conference sponsored by the Maternal And Child Health Bureau and the National March of Dimes Birth Defects Foundation, 1998.

Association of Hispanic Mental Health Professionals 1995- Present.

Ibero American Society of Human Genetics, Founding Member, Secretary/Treasurer (1989) 1994- Present.

Member of the Board of Advisors of Human Genetic Counseling Graduate Program at Sarah Lawrence College, 1994-Present.

Group Facilitator, Listening Skills Development, Public School I.S. 128, Fall 1994.

Sarah Lawrence College, Human Genetic Programs, Minority Recruitment Committee, 1990- 1992.

New York State Task Force on Multiculturalism, 1994 - 1999.

Perinatal Bereavement Program, Beth Israel Medical Center, 1993- 2000.

American Counseling Association 1992 - Present.

American Psychological Association 1992 - Present.

GENES - New York State Dept. of Health Genetic Disease Program, Ethics Committee, 1990.

American Public Health Association, 1990 - Present.

New York City Genetic Task Force, 1987-Present.

National Society of Genetic Counselors 1986 - Present

AWARDS AND GRANTS:

American Psychological Association Minority Fellowship, 1992 – 1996.

Columbia University Teachers College Minority Scholarship, 1992- 1997.

US Department of Education, Graduate and Professional Minority Fellowship, 1985 – 1987.
