

CURRICULUM VITAE

Jeffrey Joel Rosen, Ph.D.
City College of New York
City University of New York
New York, NY 10031

Date of Birth: May 28, 1942
Married: Dr. Wilma Gottlieb Rosen
Home Address: 2711 Henry Hudson Parkway
Bronx, NY 10463
718 548-1977

Academic Qualifications

- 1964 Bachelor of Arts in Psychology, George Washington University,
Washington D.C.
1968 Master of Arts in Psychology Clark University,
Worcester, Massachusetts
1971 Doctor of Philosophy in Psychology, Clark University,
Worcester, Massachusetts

Professional Experience

- 1978 - Present Professor of Psychology, Department of Psychology, City College
of New York
1978 - Present Professor of Psychology, Doctoral Program in Clinical Psychology,
Doctoral Program in Experimental Cognition, City University of
New York
1989 - 1997 Dean, Division of Social Science, City College of New York
1987 - 1989 Director, Ph.D. Program in Experimental Cognition, City
University of New York
1984 - 1986 Consultant for Neuropsychological Research Training,
Department of Neurosurgery, Mt. Sinai Medical Center, New
York, New York
1979 - 1985 Director, Doctoral Training Program in Human Neuropsychology,
City University of New York
1982 - 1984 Consultant for Neuropsychology, Psychology Service, Brooklyn
Veterans Administration Hospital
1980 - 1981 Consultant for Neuropsychology to Brookhaven, New York
University Project on Positron Emission Computer Tomography
and Schizophrenia
1979 - 1982 Lecturer in Neurology at the Neurological Institute Columbia
Presbyterian Medical Center

1979 - 1986 Director, Doctoral Program in Human Neuropsychology, City University of New York

1976- 1978 Affiliate Research Professor in Neuropsychology at Clark University, Worcester, Massachusetts

1975 - 1979 Associate Professor of Psychology, Boston University, Boston, Massachusetts

1972 - 1974 Visiting Scientist: Regional Primate Center (NIMH), Southboro, Massachusetts

1970 - 1972 Consultant: Aphasia Unit, Boston Veteran's Administration Hospital, Boston, Massachusetts

1970 - 1975 Assistant Professor of Psychology, Boston University

1965 - 1966 Research Psychologist in Neuropsychology at National Institute of Health, Bethesda, Maryland
