Professional Awards

2004 American Family Therapy Academy Award for Distinguished Contribution to Family Therapy Theory and Practice (with Marcia Sheinberg and Fiona True)

Experience

June 2008 Visiting Scholar, Department of Psychology, Boğaziçi University, Istanbul, Turkey

June 2008 Visiting Professor, University of Heidelberg Medical Center & Helm Stirlin Institute, Heidelberg, Germany.

July 1999 - present

Director, Center for Work and Family, Ackerman Institute for the Family. Center dedicated to research and program development towards creation of clinical and community interventions that address a wide spectrum of contemporary issues for couples and families in balancing work and family life across the socioeconomic spectrum, and to address how temporal issues (schedules, pace, sequencing, time allocation, etc.) and use of home-based technology play a part in this balance.

September 1998 - present

Associate Professor of Psychology, The City College of New York. Tenured faculty member in the Doctoral Program in Clinical Psychology. Courses include:
Family and Couple Therapy I & II: Systemic and Social Psychological Theories and Interventions
Family and Couple Counseling (Masters in Counseling course)
Diversity Issues in Psychotherapy
Seminar in Qualitative Research
Psychoeducational and Community-Based Preventive Interventions

Practicum in Integrative Psychotherapy

Supervise family, couple, and child therapy. Created live supervision program in family therapy
Chair committee for five-to-eight doctoral dissertations and four Masters theses each semester

January 1998 - present

Director, Fresh Start for Families, Ackerman Institute for the Family. Program now within the Center for Work and Family. Collaboration with HELP USA to develop a comprehensive program to support families (mostly poor persons of color) living in shelters, as parents engage in job training and placement. Program involves interviewing families extensively about their needs and suggestions for the program, implementation of multiple family discussion groups, and qualitative/quantitative assessment of intervention outcome. Conducting replication and extension of this collaborative family program development model in a shelter for survivors of domestic violence, a shelter for families with teens, and as an Immigration to Work program for Latina women at Columbia University Head Start and Early Head Start.

January 2001 – December 2002

Consultant, Solace Program for Refugees and Survivors of Torture and the International Trauma Studies Program, New York, New York. Advising on training, program development and evaluation.

July 1997 – July 1999

Director of Research and Program Evaluation, Ackerman Institute for the Family. Responsibilities included formulating and supervising program evaluation for Institute clinical projects, which addressed a wide range of disorders and clinical issues; grant writing; and developing model clinical-research projects

January 1995 – July 1998

Co-Creator and Co-Director (with Peggy Papp, MSW), "Maintaining a Loving Relationship," a psychoeducational/prevention program for couples, Ackerman Institute for the Family.

October 1992 - June 1995

Staff Psychologist, Lenox Hill Hospital. Supervision of psychology interns, direct service in outpatient child and adult clinics; Director of Family Therapy Training program; consultant to medical units, including pediatrics. Director of Child Behavior Clinic, joint venture between pediatrics and psychiatry.

September 1992 - June 1993

Consultant in Family Therapy, Department of Family Medicine, State University of New York/Stonybrook Medical Center. Consultant in development of a clinical research project on treatment compliance in chronically ill patients.

September 1992 – July 2003

Director, PREP[®] (Prevention and Relationship Enhancement Program) at NYU, a clinical research project on couples communication and health, Child Study Center, Department of Psychiatry, New York University Medical Center. Longitudinal study examining impact of a psychoeducational couple distress prevention program on relationship satisfaction and stability, as well as on health and quality of life.

August 1992 – July 1998

Supervising Faculty, Ackerman Institute for the Family.
Live supervision of externs, teach seminar on theories and practices of family therapy, workshop presenter.

August 1992 – July 1998

Clinician and Director of Research, Sex Abuse Project, Ackerman Institute for the Family. Wrote comprehensive treatment handbook, published professional book, and articles; conducted quantitative and qualitative outcome research; primary grant writer; supervised four graduate student research assistants; conducted direct clinical work with abused children and their parents.

January 1992 - June 1992

Member, UNICEF Task Force on AIDS Counseling, Nairobi, Kenya.

October 1991 - June 1992

Consultant, AIDS Prevention Intervention Project for Kitui District Secondary Schools, Nairobi, Kenya.

April 1991 - June 1992

Assistant Professor, Department of Psychology and Sociology, United States International University - Africa. Acting Chairman from January - June, 1992. Taught wide range of courses at undergraduate and graduate level. Clinical supervision of students in counseling psychology training program.

February 1990 – present

Private Practice, with specialization in child, couples, and family therapy, New York, New York, and Nairobi, Kenya.

September 1989 - April 1991

Clinical Instructor, Department of Psychiatry, New York University Medical Center.

September 1988 - April 1991

Clinic and Research Coordinator, Family Studies Unit, Millhauser Laboratories. Coordination of all aspects of clinic management. Liaison with medical departments and community. Live supervision of psychology interns and psychiatry residents. Family and individual therapy. Developed research program: projects on family therapy outcome, inter-spouse influence processes and affective exchange in narrative dialogue and problem-solving, family factors in childhood depression. Authored NIMH FIRST Award proposal entitled "Paralinguistics of Marital Interaction in Depression."

September 1988 - April 1991

Psychoeducational assessments of learning disabled children and adults, with Florence Springer, private practice, and Family Health Associates, Inc., New York.
