

**CURRICULUM VITAE  
NICHOLAS FREUDENBERG**

425 East 25th Street, Box 609  
New York, New York 10010  
212-481-4363 212-481-5260 fax nfreuden@hunter.cuny.edu  
**Revised 4.2009**

**ACADEMIC POSITIONS**

Distinguished Professor, Program in Urban Public Health, Hunter College School of Health Sciences/City University of New York (1979- ); Director, Community Health Education (1983-1990); Associate Professor (1984-1989); Professor (1989- ), Director and founder, Program in Urban Public Health, (1998- 2003); Distinguished Professor, (2002- ); Director, CUNY Doctoral Program in Public Health(2007-)

The Program in Urban Public Health educates public health professional to promote health and prevent disease among diverse urban populations. It has 18 FTE faculty, 150 undergraduate and 300 graduate students. It is the only accredited public health program in the nation to focus specifically on urban communities. The Doctoral Program prepares interdisciplinary researchers to study complex urban health problems.

Executive Director and Founder, Hunter College Center on AIDS, Drugs & Community Health (1987 - 1998); Interim Director (2000-2001); Senior Faculty Fellow (2002- 2007)

The Center assists community organizations and health and social service agencies to plan, implement and evaluate interventions to reduce HIV, substance abuse, violence, and related urban health problems. Between 1987 and 2001, the Center received more than \$17 million in external support for its research, demonstration projects and training projects.

Professor, Doctoral Program in Social Psychology, City University of New York Graduate Center, (1999- )

Founder and Director, Community Environmental Health Center at Hunter College, 1984-1993.

This Center assisted community organization in New York City to identify and reduce environmental threats to health such as lead poisoning, air pollution and transportation of toxic materials. Between 1984 and 1993 it received more than \$850,000 in external support from public and private sources. In 1994, the Center merged with the Hunter Center on Occupational and Environmental Health.

Adjunct Lecturer, Columbia University School of Public Health, Division of Health Care Administration (1980-2007)

Project Director, Asthma Self-Management Project, Department of Pediatrics, Columbia University College of Physicians and Surgeons (1977-1980)

Health Educator, Division of Community and Social Pediatrics/Harlem Hospital Center (1977)

## **EDUCATION**

Hunter College, Bachelor of Science, 1975.

Columbia University School of Public Health,  
Masters in Public Health, 1977,  
Doctor of Public Health, 1979.

## **CURRENT AND RECENT RESEARCH**

1. *Principal Investigator*, An Assessment of the Role of Business in Food and Fitness Opportunities in Low Income Communities. Sub-contract from Center for Managing Chronic Diseases, University of Michigan-Ann Arbor School of Public Health, Supported by Kellogg Foundation, 2008-2009.
2. *Principal Investigator*, CUNY Campaign Against Diabetes, New York State Health Foundation, 2007-2009; CUNY Chancellor's Office, 2006-2009.
3. *Principal Investigator*, New York City Health Equity Project: Engaging Youth in Improving their Food Environment. NYC DOHMH. 2007-2009. Kellogg Foundation Public Health and Social Justice Program.
4. *Principal Investigator*, American Legacy Foundation, Framing Public Health Campaigns: What can advocates for tobacco control learn from and teach those working to reduce the adverse health impact of the food, automobile, alcohol, gun and pharmaceutical industries? Small Innovative Grants Award, August 1, 2004-November 3, 2006.
5. *Principal Investigator*, National Institute for General Medical Sciences, 1 K07 GM072947, Transdisciplinary Research on Urban Health Collaborative, 7/1/04-6/30/09. Award to develop interdisciplinary curriculum in urban health as part of NIH Roadmap Initiative.
6. *Principal Investigator*, National Institute of Drug Abuse. Impact of an HIV Intervention for Adolescent Males Leaving Jail, RO 1 DA14725 4/05/2002-3/31/2007. Randomized trial of an intervention to reduce drug use, HIV risk and incarceration among male adolescents.
7. *Co-Investigator*, Understanding and Reducing the Structural Determinants of Substance Abuse in Harlem. Center for Urban Epidemiological Studies, New York Academy of Medicine, U.S. Centers for Disease Control and Prevention, 1999-2004.
8. *Co- Investigator*. An Evaluation of New York City Department of Health's HIV Prevention Case Management Initiative for Injecting Drug Users and their Partners, New York City Department of Health, 1999-2004.

9. *Principal Investigator*, Open Society Institute, Criminal Justice Initiative, Community Reintegration of Inmates Leaving New York City Jails: A Policy Analysis, January 1, 2002-March 30, 2004.
10. *Co-Investigator*. Development of an HIV Prevention Intervention for Incarcerated Men who have Sex with Men. New York City Department of Health, 2001-2002.
11. *Co-Principal Investigator*, (with Susan Saegert, PI, Psychology, CUNY Graduate Center and Susan Klitzman (Environmental Health, Hunter). Housing, health and social inequality: Developing a research agenda. CUNY Faculty Research Award, 2000-2002.
12. *Co-Principal Investigator*, (with Michelle Fine, CUNY Graduate Center, Psychology), Youth Perceptions of Interactions with New York City Police, Helenia Fund, 2000-2001.
13. *Principal Investigator*, Health Link, Development of a New Model of Services for Incarcerated Drug Using Women and Adolescents, Robert Wood Johnson Foundation, 1992-2001.
14. *Co-Principal Investigator*, An Evaluation of the New York City Beacon After-school Program, Annie E. Casey Foundation and the New York City Department of Youth and Community Development, 1997-2000.
15. *Principal Investigator*. An Evaluation of New York City Department of Health's HIV Prevention Case Management Initiative for Injecting Drug Users and their Partners, New York City Department of Health, 1999-2004.
16. *Principal Investigator*. Development of an HIV Prevention Intervention for Incarcerated Men who have Sex with Men. New York City Department of Health, 2001-2002.
17. *Consultant*, U.S. Centers for Disease Control and Prevention, Urban Research Centers, 1997-1999.
18. *Principal Investigator*, New Strategies for Health Promotion and Disease Prevention in Urban Low Income Communities, U.S. Centers for Disease Control and Prevention, National Center for Health Promotion and Chronic Disease Prevention, 1995-1996.
19. *Principal Investigator*, An Evaluation of Ryan White Title Services for People with HIV Infection in New York City, Medical and Health Research Association, 1994-1996
20. *Principal Investigator*, the South Bronx Anti-Violence Project, a model program to reduce youth violence, New York State Department of Health, 1993-1996
21. *Co-Principal Investigator*, Evaluation of New York City Public High School AIDS Education/ Condom Availability Program, with Academy for Educational Development and New York University Department of Health Studies, Robert Wood Johnson Foundation, New York Community Trust, W.T. Grant Foundation, 1992-1996.
22. *Co-principal investigator*, Evaluation of RWJF National AIDS Prevention and Service Program, with Marshall Becker (PI), University of Michigan, Robert Wood Johnson Foundation, 1990-1992.
23. *Co-Investigator* (with Donna Shalala). Career Explorations: Preparing Young People for Jobs with a Future, The Commonwealth Foundation, 1984-1987.
