Ann Louise Bardach will discuss her latest book, *Without Fidel: A Death Foretold in Miami, Havana and Washington* (Scribner, 2009). *Without Fidel* offers a chronicle of the Havana-Washington political showdown, drawing on nearly two decades of reporting and countless interviews with the Comandante himself and other family members including his co-ruler, brother Raul, along with assorted spooks, kooks and politicos in Miami, Havana and Washington. The result is an unforgettable dual portrait of Fidel and Raul Castro – arguably, the most successful political brother team in history.
