# THE WAR AGAINST SWINE FLU: WHO LOSES?

### **Philip Alcabes**

*Associate Professor  
Urban Public Health  
Hunter College, CUNY*

Guest Moderator: **Diego Armus**  
*Professor of History, Swarthmore College*

In this talk, Prof. Alcabes will examine world health policy, viewing the 2009 swine flu outbreak in the context of global environment, commerce, and economic stress – and asking how Latin America figures into U.S.- and Europe-centered disease control. Professor Diego Armus of Swarthmore College will serve as guest moderator.
