Teaching experience	
(i) undergraduate	
a. introductory	<ul style="list-style-type: none">• Introduction to Government–Binding Theory (second-year course), English Department, University of Leiden; weekly tutorials and two lectures; September – December 1990• first-year generative syntax course, Dutch Department, University of Leiden; fortnightly tutorials; March – June 1991

- Generative Phonology (second-year course), English Department, University of Leiden; weekly tutorials; February – June 1992
 - Introduction to the theory of syntax, Department of General Linguistics, University of Groningen; full introductory course for second-year students in three trimesters; September – June 1992/93
 - Introduction to phonology and morphology, Department of General Linguistics, University of Groningen; one-trimester course for second-year students; September – November 1992
 - ‘Linguistic Structure: Syntax’, Department of Linguistics, Vrije Universiteit Amsterdam; full introductory course for second-year students; September – December 1993, 1994, 1995, 1996
- b. advanced
- Comparative Syntax, joint venture of Departments of Dutch, English and General Linguistics, University of Leiden; seminar on recent developments in Government–Binding theory; fortnightly classes; September – December 1990 & February – June 1991
 - Syntax seminar for advanced students (in cooperation with Jan Koster), Department of General Linguistics, University of Groningen; September – May 1992/93
 - Syntax seminars for advanced students, Department of Linguistics, Vrije Universiteit Amsterdam; January – June 1993, 1994; March – June 1997
 - Recent theoretical developments in syntax, Department of Linguistics, Vrije Universiteit Amsterdam; from *Barriers* to minimalism and antisymmetry; January – May 1995; January – March 1996; January – March 1997
 - Syntax seminar for advanced students, on verb movement in the history of English (in cooperation with Frits Beukema), English Department, University of Leiden; September – December 1995
- (ii) graduate – *HIL*
- advanced seminar on the syntax of serial verb constructions, aspect, and uniformity of θ -assignment (in cooperation with Rint Sybesma), HIL; September – November 1993
 - advanced seminar on the minimalist syntax of verbal periphrasis, HIL; March – May 1995
 - introduction seminar on the principles-and-parameters theory of generative syntax, HIL; September – November 1996
- graduate – *UCLA*
- graduate course ‘Survey of current syntactic theories’ (Linguistics 214), on the development and state-of-the-art of minimalist syntactic theory; UCLA Linguistics Department, October – December 1997
 - graduate proseminar ‘Syntax and semantics’ (Linguistics 252), on current research (possessive constructions), co-taught with Jamal Ouhalla and Timothy Stowell; UCLA Linguistics Department, October – December 1997
- graduate – *CUNY GC*
- graduate course ‘Introduction to Theoretical Linguistics’ (Linguistics 70100); CUNY GC, September – December 2000, 2001, 2002, 2003, 2004, 2005, 2006, 2007 (occasionally co-taught with Ricardo Otheguy)

- graduate course ‘Syntax I’ (Linguistics 72100; introduction to principles-and-parameters theory); CUNY GC, September – December 1998, 1999, 2000, 2001, 2002, 2003, 2004, 2005, 2006, 2007, 2008
 - graduate course ‘Syntax II’ (Linguistics 72200; from GB to minimalism and antisymmetry); CUNY GC, February – May 1999, 2000, 2001, 2002, 2003, 2004, 2005, 2006, 2007, 2008
 - graduate seminar ‘Advanced Syntax’ (Linguistics 81500), on the syntax of serial verb constructions and middles; CUNY GC, September – December 1998
 - graduate seminar ‘Advanced Syntax’ (Linguistics 81500), on the syntax of features (*wh*-, *phi*- and Case-features); CUNY GC, September – December 1999
 - graduate seminar ‘Advanced Syntax’ (Linguistics 81500), on syntax of non-verbal predication; CUNY GC, September – December 2001
 - graduate seminar ‘Advanced Syntax’ (Linguistics 81500), on the syntax of prepositions; CUNY GC, February – May 2003
 - graduate seminar ‘Advanced Syntax’ (Linguistics 81500), on locality in syntactic theory; CUNY GC, September – December 2005
 - graduate seminar ‘Advanced Syntax’ (Linguistics 81500), on the syntax of predication; CUNY GC, February – May 2007
 - graduate seminar ‘Advanced Syntax’ (Linguistics 81500), on the syntax of cleft constructions; CUNY GC, February – May 2009
 - graduate seminar in syntactic theory ‘The State of the Art in Generative Syntax: Current Minimalist and Optimalist Developments’ (Linguistics 84100); CUNY GC, February – May 2000
 - graduate seminar ‘Morphology’ (Linguistics 71500); CUNY GC, September – December 2000 (co-taught with Charles Cairns); September – December 2002, February – May 2005, September – December 2006
 - graduate seminar ‘Historical syntax’ (Linguistics 84100); CUNY GC, February – May 2001
 - graduate seminar ‘The Structure of Hungarian’ (Linguistics 73100); CUNY GC, September – December 1999 (co-taught with Robert Vago)
 - graduate seminar ‘The Structure of Rotuman’ (Linguistics 73100); CUNY GC, February – May 2002 (co-taught with Charles Cairns)
 - graduate seminar ‘The Syntax of Amharic’ (Linguistics 73100); CUNY GC, February – May 2004
 - graduate seminar ‘The Syntax of the Languages of the Balkans’ (Linguistics 73100); CUNY GC, February – May 2006
 - graduate seminar ‘The Structure of the Austronesian Languages’ (Linguistics 73100); CUNY GC, February – May 2008
- (iii) summer/winter courses
- advanced two-week seminar on the syntax of verbal periphrasis, minimalism and antisymmetry; second Central European Summer School in Generative Grammar, Olomouc (Czech Republic); August 1995

- advanced two-week seminar on issues in predication; third Central European Summer School in Generative Grammar, Olomouc (Czech Republic); August 1996
 - advanced one-week seminar on predicates and their movements; LOT Summer School (summer school of the Netherlands Graduate School in Linguistics), University of Amsterdam, June 1997
 - introduction seminar on the principles-and-parameters theory of generative syntax; fourth Central European Summer School in Generative Grammar, Olomouc (Czech Republic); August 1997
 - introduction seminar on the principles-and-parameters theory of generative syntax; fifth Central European Summer School in Generative Grammar, Debrecen (Hungary); August 1998
 - seminar on the syntax of pronouns; UPV/EHU Summer Courses, Donostia-San Sebastian (Spain); July 2000
 - advanced one-week seminar on the syntax of adpositional phrases; LOT Winter School (winter school of the Netherlands Graduate School in Linguistics), University of Amsterdam, January 2004
 - advanced one-week ‘szuperkurzus’ on agreement; Institute for Linguistics of the Hungarian Academy of Sciences, Budapest, January 2006
 - advanced three-week graduate seminar on locality; Université de Paris VII, Paris, 29 May – 15 June 2006
- (iv) special courses
- two seminars on research methods in second language acquisition research (with Virginia Valian, Hunter College/CUNY Graduate Center); Suranaree University of Technology (Nakhon Ratchasima) & Thammasat University (Bangkok), Thailand; January 2004
- Research supervision
- HIL*
- member of the thesis defence committee (‘oppositiecommissie’) of Janet Dijk (the participial construction in Biblical Hebrew), Vrije Universiteit Amsterdam; defended 16 June 1994
 - member of the thesis defence committee (‘oppositiecommissie’) of Marian Klamer (grammar of Kambara (Austronesian)), Vrije Universiteit Amsterdam/HIL; defended 19 December 1994 (*cum laude*)
 - member of the thesis committee (‘promotiecommissie’) of Tonjes Veenstra (predication and serial verb constructions in Saramaccan creole), Universiteit van Amsterdam/HIL; defended 12 April 1996
 - member of the thesis committee of Marga Petter (control and PRO), Vrije Universiteit Amsterdam/HIL; defended 29 June 1998
- KUB*
- committee member for Ildikó Tóth (infinitives in Hungarian), Tilburg University/CLS; defended 26 June 2000
- CUNY* – **chair**
- committee **chair** for Ivy Sichel (syntax of pronouns, with special reference to Hebrew), CUNY Graduate Center; defended fall 1999
 - committee **chair** for Antonino Gullì (syntactic reduplication in Italian and elsewhere), CUNY Graduate Center; defended fall 2002
 - committee **chair** for Tomoyuki Yabe (Amharic morphosyntax), CUNY Graduate Center; defended 11 September 2007

- committee **chair** for Eric Stenshoel (Utterance Grammar), CUNY Graduate Center; defended 13 December 2007
- committee **chair** for Jed Shahrar (*it*-expletive constructions), CUNY Graduate Center; defended 17 April 2008
- committee **chair** for Atsuko Miyajima (*ga* and *wa* in Japanese — the role of predicate type and information structure; MA thesis), CUNY Graduate Center; deposited April 2008
- committee **chair** for Kaori Furuya (predication in Japanese complex noun phrases), CUNY Graduate Center; defended 17 November 2008
- committee **chair** for Ana Longenecker (Romance causatives), CUNY Graduate Center; in progress
- committee **chair** for Jeremy Rafal (the morphosyntax of the verbal extended projection in Ilokano), CUNY Graduate Center; in progress
- committee **chair** for Ji Young Shim (word order in code-switching), CUNY Graduate Center; in progress
- member • committee member for Satoshi Stanley Koike (syntax, semantics and pragmatics of Japanese *no*), CUNY Graduate Center; defended spring 1999
- committee member for Elena Rudnitskaya (syntax of Russian anaphora), CUNY Graduate Center; defended spring 2000
- committee member for Mana Kobuchi-Philip (syntax and semantics of floating numeral quantifiers in Japanese), CUNY Graduate Center; defended fall 2002
- committee member for Keiko Uehara (processing of multiple nominatives in Japanese), CUNY Graduate Center; defended summer 2003
- committee member for Maurizio Santoro (acquisition of Italian accusative/dative clitics by English speakers), CUNY Graduate Center; defended spring 2004
- committee member for Miki Suzuki (Japanese relative clauses), CUNY Graduate Center; defended fall 2004
- committee member for Peter Slomanson (language contact), CUNY Graduate Center; defended spring 2005
- committee member for Alison Gabriele (aspect in second language acquisition), CUNY Graduate Center; defended spring 2005
- committee member for Naomi Lapidus Shin (acquisition of Spanish subject pronouns and *pro*-drop), CUNY Graduate Center; defended spring 2006
- committee member for Rachel Szekely (existential sentences), CUNY Graduate Center; defended spring 2008
- committee member for Stephanie Solt (semantics of adjectives of quantity), CUNY Graduate Center; defended summer 2008
- committee member for Yukiko Koizumi (processing of *not-because* ambiguity), CUNY Graduate Center; defended summer 2008
- committee member for Shukhan Ng (the processing of Chinese null subjects), CUNY Graduate Center; defended spring 2009

- committee member for Amit Shaked (relative clause attachment in Hebrew parsing), CUNY Graduate Center; defended spring 2009
 - committee member for Didem Koban (variation in subject pronoun use in Turkish spoken in NYC), CUNY Graduate Center; defended fall 2009
 - committee member for Lisa Reisig Ferrazzano (diachronic development of determiners and demonstratives in Romance), CUNY Graduate Center; in progress
 - committee member for Yana Pugach (sentence processing), CUNY Graduate Center; in progress
 - committee member for Rita Pasqui (adjectival modification in the Romance noun phrase), CUNY Graduate Center; in progress.
- SUNY*
- committee member for Sungeun Cho (Case agreement in Korean), SUNY Stony Brook; defended spring 2000
 - committee member for Martin Kappus (topics in German negation and ‘focus shells’), SUNY Stony Brook; defended spring 2000
 - committee member for Barbara Citko (free relatives), SUNY Stony Brook; defended fall 2000
 - committee member for Franc Marušič (Spell-Out and the interfaces), SUNY Stony Brook; defended spring 2005
 - committee member for Maria Vassilieva (associative plurals), SUNY Stony Brook; defended spring 2005
 - committee member for Carlos de Cuba (factive and non-factive complement clauses), SUNY Stony Brook; defended spring 2007
 - committee member for Tomoko Kawamura (focus and focus-sensitive elements), SUNY Stony Brook; defended spring 2007
 - committee member for Susana Huidobro (non-argumental datives), SUNY Stony Brook; in progress
- NYU*
- committee member for Lisa Levinson (verbal decomposition and lexical roots), New York University; defended summer 2007
- Geneva*
- committee member for Léna Baunaz (quantification in French), Université de Genève; defended 1 March 2008
- U Ottawa*
- committee member for Rok Žaucer (Slavic verbal prefixes), University of Ottawa/Université d’Ottawa; defended 8 December 2008
- Rutgers*
- committee member for Natalia Kariaeva (discontinuous nominals), Rutgers University; defended 23 January 2009
- Administrative activities
- member of the committee on Curriculum and Degree Requirements, Graduate Council, CUNY Graduate Center, 2000–2003
 - member of the Library Committee, Graduate Council, CUNY Graduate Center, since fall 2004
 - member of the Executive Committee, PhD/MA Program in Linguistics, CUNY Graduate Center, 1999–2007
 - member of the Awards and Admissions Committee, PhD/MA Program in Linguistics, CUNY Graduate Center, 1999–2002, 2008

- member of the Curriculum and Examinations Committee, PhD/MA Program in Linguistics, CUNY Graduate Center, since fall 2002
- member of the Faculty Membership Committee, PhD/MA Program in Linguistics, CUNY Graduate Center, since fall 2002
- board member (treasurer) of the Algemene Vereniging voor Taalwetenschap (Dutch Linguistic Society; AVT), till January 1999
- member (secretary) of the founding board of the Student Organisation of Linguistics in Europe (SOLE), till September 1994
- member (treasurer) of the founding board of the ‘Stichting’ Generative Linguistics in Eastern Europe (GLEE), 1996
- member of the founding board of the International Society for the Study of the Structure of Hungarian (ISSSH), 2007

Organisational activities

- organisation of the Third Leiden Conference for Junior Linguists, Leiden, December 1991 (with Sjef Barbiers & Claartje Levelt)
- organisation of the Workshop on the Syntax of Possession and the Verb ‘Have’ at the 28th Conference of the Societas Linguistica Europaea (SLE), Leiden, September 1995
- co-organiser of the third Central European Summer School in Generative Grammar, Olomouc (Czech Republic), 1996 (with Damir Ćavar, Tracy Hall, Peter Ludlow, Maaïke Schoorlemmer & Lida Veselovska)

Conference presentations and invited lectures

[listed since 1993]

1. Presentations at international conferences with peer-reviewed selection

(i) GLOW (Generative Linguists of the Old World), incl. GLOW Workshops

27 March 2008 – 31st GLOW Colloquium, Newcastle University, Newcastle-upon-Tyne (UK), main session

Small clauses, phases, and phase extension

8 April 2006 – 29th GLOW Colloquium, Universitat Autònoma de Barcelona (Spain), main session

Vacuous movement in focus — On the syntax of highest-subject wh-questions and relative clauses

1 April 2005 – 28th GLOW Colloquium, Université de Genève (Switzerland), main session

Either-float and the syntax of co-ordination

30 March 2005 – GLOW 2005, Workshop on the Syntax of Semitic Languages, Université de Genève (Switzerland)

Definiteness and agreement in the Amharic complex noun phrase

6 January 2002 – GLOW in Asia 2002, National Tsing Hua University, Taipei (Taiwan/Republic of China), main session

Complex noun phrases and linkers (co-author: Pornsiri Singhapreecha, Thammasat University, Bangkok)

15 April 1998 – GLOW, Tilburg (The Netherlands), main session

'Take' serials light up the middle (co-author: R. Sybesma, University of Leiden/HIL)

17 April 1996 – GLOW, Athens (Greece), main session

(A)symmetries in predication, and the meaning of structure (co-authors: H. Bennis, University of Leiden/HIL & N. Corver, KU Brabant/CLS), main session

2 June 1995 – GLOW, Tromsø (Norway)

Copulas

(ii) NELS (North-East Linguistic Society)

13–15 November 2009 – 40th conference of the North-East Linguistic Society (NELS), MIT, Cambridge, MA (USA)

On the nature and distribution of successive cyclicity

26 October 2007 – 38th conference of the North-East Linguistic Society (NELS), University of Ottawa (Canada)

The tense of resultatives — The case of Korean (co-author: Ji Young Shim, CUNY Graduate Center)

7 October 2000 – 31st conference of the North-East Linguistic Society (NELS), Georgetown University, Washington, DC (USA)

Aggressively non-D-linked wh-phrases as polarity items (co-author: Anastasia Giannakidou, Groningen)

16 October 1994 – 25th conference of the North-East Linguistic Society (NELS), University of Pennsylvania, Philadelphia (USA)

Verb (Projection) Raising, scope and uniform phrase structure

20 November 1993 – 24th conference of the North-East Linguistic Society (NELS), University of Massachusetts, Amherst, Massachusetts (USA)

Auxiliaries and participles

(iii) WCCFL (West Coast Conference on Formal Linguistics)

1 November 2002 – West Coast Conference on Formal Linguistics 2002, University of British Columbia, Vancouver (Canada)

Rotuman relatives and resumptive pronouns

24 & 25 February 2001 – WCCFL XX, University of Southern California, Los Angeles (USA)

On inclusive reference anaphora: New perspectives from Hungarian (co-authors: Anikó Lipták, Leiden and Zsófia Zvolenszky, NYU)

Restrictions on clitic climbing and the nature of restructuring (co-author: Mariví Blasco, CUNY)

4 April 1993 – West Coast Conference on Formal Linguistics (WCCFL), University of California, Santa Cruz, California (USA)

Case dependencies – the case of predicate raising (co-author: A. Næss, Universitetet i Oslo, Norway)

(iv) *WECOL (Western Conference on Linguistics)*

28 October 2006 – Western Conference on Linguistics, California State University, Fresno (USA)

P-drop, D-drop, D-spread (co-author: Alexandra Ioannidou, CUNY Graduate Center)

26 October 1996 – Western Conference on Linguistics (WECOL), UCSC, Santa Cruz, California (USA)

How external is the external argument?

23 October 1994 – Western Conference on Linguistics (WECOL), U California, Los Angeles (USA)

Minimalist Verb (Projection) Raising

23 October 1993 – Western Conference on Linguistics (WECOL), University of Washington, Seattle, Washington (USA)

Binding, expletives and levels

(v) *ESCOL (Eastern States Conference on Linguistics)*

20 November 1999 – Eastern States Conference on Linguistics (ESCOL), University of Connecticut, Storrs (USA)

'Plurilinguals', pronouns and quirky agreement

(vi) *CGSW (Comparative Germanic Syntax Workshop)*

20 September 2003 – 18th Comparative Germanic Syntax Workshop, University of Durham, Durham (UK)

When particles won't part

9 August 2002 – 17th Comparative Germanic Syntax Workshop, University of Iceland, Reykjavík (Iceland)

Lexical integrity, checking and the mirror — A checking approach to syntactic word formation

5 May 2001 – 16th Comparative Germanic Syntax Workshop, McGill University, Montréal (Canada)

A polar whole — Dutch 'heel' as a special negative polarity item

26 May 2000 – 15th Comparative Germanic Syntax Workshop, University of Groningen (The Netherlands)

(Null) pronouns and (null) agreement

3 November 1995 – 11th Comparative Germanic Syntax Workshop, Rutgers University, New Jersey (USA)

Predicate Inversion in nominal phrases (co-authors: H. Bennis, RU Leiden/HIL & N. Corver, KU Brabant/CLS)

18 January 1995 – 10th Comparative Germanic Syntax Workshop, Brussels (Belgium)

Parasitic Participles (co-author: E. Hoekstra, P.J. Meertens-Instituut, Amsterdam)

Getting verb movement (co-authors: H. Bennis & F. Beukema, RU Leiden/HIL)

6 January 1994 – 9th Comparative Germanic Syntax Workshop (CGSW), Harvard University, Cambridge, Massachusetts (USA)

Very Exceptional Case-Marking (co-author: C.J.W. Zwart, Rijksuniversiteit Groningen)

(vii) *BUCLD (Boston Conference on Language Development)*

5 November 1994 – Boston University Conference on Language Development, Boston, Massachusetts (USA)

Picking up particles (co-authors: H. Bennis (RUL), P. Jordens (VUA), S. Powers (MPI Nijmegen), J. Weissenborn (MPI Nijmegen/Potsdam))

(viii) *other conferences with peer-reviewed selection*

21–26 July 2008 – 18th International Congress of Linguists/Congrès International des Linguistes, Seoul (Republic of Korea)

The tense of resultatives — The case of Korean (co-author: Ji Young Shim, CUNY Graduate Center)

11 November 2007 – 17th Japanese/Korean Linguistics Conference (JK17), UCLA, Los Angeles (USA)

The tense of resultatives — The case of Korean (co-author: Ji Young Shim, CUNY Graduate Center)

- 10–12 May 2007 – ‘Formal Approaches to Variation in Syntax’ conference, University of York (UK)
Subject agreement variation: Confronting the hypothesis space with novel data (co-authors: Christina Tortora, Judy Bernstein, Raffaella Zanuttini, Goldie Ann Dooley, Erin Quirk)
- 1 May 2004 – SUNY/CUNY/NYU Linguistics Mini-Conference, Stony Brook University, Stony Brook (USA)
Definiteness and agreement in the Amharic complex noun phrase
- 2 May 2003 — 4th International Symposium on Bilingualism, Arizona State University, Tempe, AZ (USA)
Light switches (co-author: Shoba Bandi Rao, New York University)
- 18 May 2001 – The 11th Annual Southeast Asia Linguistics Conference (SEALS XI), Bangkok (Thailand)
‘Thîi’ for two: The two flavors of Thai ‘thîi’ (co-author: Pornsiri Singhapreecha, Thammasat University, Bangkok)
- 11 March 2000 – The First CUNY/SUNY Linguistics Mini-Conference, CUNY Graduate Center, New York (USA)
Aggressively non-D-linked wh-phrases as polarity items (co-author: Anastasia Giannakidou, Groningen)
- 3 March 2000 – 22. Jahrestagung der DGfS, Philipps-Universität Marburg (Germany), AG2: Pronouns
Agreement and the structure of object pronouns: The case of Hungarian
- 28 October 1999 – A mai magyar nyelv leírásának újabb módszerei IV, JATE University, Szeged (Hungary)
A tárgysetű személyes névmások szerkezete és az egyeztetés
- 21 April 1998 – CLITE/1, JATE University, Szeged (Hungary)
(Anti-)agreement in clauses and nominal phrases
- 9 September 1997 – ESSE/4 Conference, Debrecen (Hungary); workshop on clitic phenomena in English and other European languages
Anti-agreement in possessive constructions
- 1 September 1995 – Societas Linguistica Europaea, Leiden; Workshop on the Syntax of Possession and the Verb ‘Have’
There, happens, to, be, have (co-author: R. Belvin, University of Southern California, USA)
- 14 June 1995 – Morphology: Why, how, when, when not, and why not? Towards an integrated theory of morphology in the mental lexicon; workshop organised at the Max Planck Institut für Psycholinguistik, Nijmegen
The acquisition of separable compound verbs (co-authors: H. Bennis, RU Leiden/HIL, P. Jordens, VU/HIL, S. Powers, MPI Nijmegen & J. Weissenborn, Universität Potsdam)
- 12 April 1995 – Linguistic Association of Great Britain, Newcastle (UK)
Getting verb movement (co-authors: H. Bennis & F. Beukema, RU Leiden/HIL)
- 28 October 1994 – Atlantic Provinces Linguistic Association (APLA), St John, New Brunswick (Canada)
Incorporating ‘be’ and ‘have’
- 2. Invited lectures at international conferences and workshops (‘invited/keynote speaker’)**
- 27 August 2009 – invited speaker at the conference on Minimalist Approaches to Syntactic Locality, Research Institute for Linguistics of the Hungarian Academy of Sciences, Budapest (Hungary)
On the nature and distribution of successive cyclicity: Adjunction, resumption, and scope marking as the roads to success in long-distance relation building
- 15–17 May 2009 – invited speaker at the workshop on non-canonical predication, University of Western Ontario, London, ON (Canada)
Predication and specification in the syntax of cleft sentences
- 4–6 March 2009 – invited speaker in Arbeitsgruppe (‘workshop’) on ‘Repairs’ (organised by Patrick Brandt & Eric Fuss), Deutsche Gesellschaft für Sprachwissenschaft (DGfS) annual meeting, Osnabrück (Germany)
Prepare and Repair: On pre-emptive strikes and post-hoc patches
- 28–29 November 2008 – invited speaker at the workshop on clefts, Zentrum für allgemeine Sprachwissenschaft (ZAS), Berlin (Germany)
A cleft palette: On the landscape of cleft constructions and their syntactic derivations

- 24 October 2008 – invited speaker at the conference ‘Expressions of posture and motion in the Germanic languages’, Facultés Universitaires Saint-Louis, Brussels (Belgium)
Directions from the GET-GO: On the syntax of manner-of-motion verbs in directional constructions
- 17–20 July 2008 – invited speaker for the workshop on argument structure at the 10th Seoul International Conference on Generative Grammar (SICOGG), Seoul (Republic of Korea)
Directions from the GET-GO: On the syntax of manner-of-motion verbs in directional constructions
- 11 April 2008 – invited speaker at the 2nd Georgetown University workshop on English Dialect Syntax, Washington, DC (USA)
The Vacuous Movement Hypothesis and Subject Contact Relatives
- 8–11 August 2007 – invited speaker at 9th Seoul International Conference on Generative Grammar (SICOGG), Seoul (Republic of Korea)
Locality (four 3-hour lectures on the history and state-of-the-art in generative-syntactic locality theory)
- 20 January 2007 – invited speaker at International Conference on Linguistics in Korea, organised by the Linguistic Society of Korea, Seoul National University, Seoul (Republic of Korea)
Either-float and the syntax of co-or-dination
- 2–4 June 2006 – invited speaker at ‘Syntax and Semantics of Spatial P’ conference, Utrecht University, Utrecht (Netherlands)
On the structure of adpositional phrases and the syntax of the pseudopassive
- 6 May 2006 – invited speaker at ‘The Hungarian Language: Past and Present’, UCLA, Los Angeles (USA)
Long-distance agreement under focus movement in Hungarian, and its implications for locality theory
- 13 January 2006 – invited speaker at BUM 5 (Budapesti Uráli Műhely — Budapest Uralic Workshop), Budapest (Hungary)
Hungarian finite verb agreement — The role of clitics
- 4–5 November 2005 – invited speaker at Workshop on Prepositions, University of Venice (Italy)
On the syntax of locative and directional adpositional phrases
- 29–30 July 2005 – invited speaker at ‘Nuts and Core’ Workshop Forum, LSA Summer Institute, Harvard/MIT (USA)
Should ‘non-core’ drive us nuts, or should ‘nuts’ drive us to the core?
- 29–31 May 2005 – keynote speaker, 7th International Conference on the Structure of Hungarian, Veszprém (Hungary)
When Hungarians agree (to disagree): The fine art of ‘Phi’ and ‘Art’
- 13–15 May 2005 – invited speaker, Mayfest 2005 (on *wh*-constructions), University of Maryland, College Park (USA)
Back to hell — Further thoughts on wh-the-hell and its repercussions for the syntax of wh-questions
- 26 March 2004 – keynote address, Georgetown University Roundtable (GURT), Georgetown University, Washington, DC (USA)
Parasitism, secondary triggering, and depth of embedding
- 18 March 1999 – 12th Annual CUNY Conference on Human Sentence Processing, CUNY, New York (USA)
The syntax of features
- 3. Invited presentations as commentator/discussant/moderator**
- 21 May 2007 – Workshop on Greek Syntax and Semantics, MIT, Cambridge (USA)
 discussant of the paper by Marika Lekakou and Kriszta Szendrői (with Alexandra Ioannidou, CUNY Graduate Center)
- 3 March 2006 – ‘Tales of the Missing Link’ conference, New York University, New York (USA)
 Discussant
- 26 June 2004 – 8th Diachronic Syntax Conference (DIGS VIII), Yale University, New Haven (USA)
 Discussant of John Whitman’s keynote address
- 1–6 June 2002 – EuroConference on the Syntax of Normal and Impaired Language, Corinth (Greece)
 Discussant/moderator
- 18 April 2001 – Third International Symposium on Bilingualism, Bristol (UK)
 Discussant of a session on code switching and minimalism

16 February 1996 – Leiden/HIL Workshop on Atomism and Binding

Discussant of presentations by S. Berman/A. Hestvik and A. Broadwell

4. Presentations at conferences/workshops without peer-reviewed selection

3 November 2009 – invited speaker at the ‘DP-dag’ (one-day workshop on the structure of DP), Brussels (Belgium)

(In)definitely spurious: On the distribution of definite and indefinite spurious articles

2 May 2008 – 3rd Showcasing Quirky and Unusual Ideas in Development (SQUID) conference, CUNY Graduate Center, New York (USA)

So ‘so’

28 February 2008 – French WHorkshop (two-day conference on *wh*-constructions, with special emphasis on French), Université de Genève, Geneva (Switzerland)

Agreement in long A ‘-dependencies, and its implications for locality theory

21 June 2007 – XIII Giornata di Dialettologia, University of Padova, Padova (Italy)

Subject agreement variation: Confronting the hypothesis space with novel data (co-authors: Christina Tortora, Judy Bernstein, Raffaella Zanuttini, Goldie Ann Dooley, Erin Quirk)

22 May 2007 – RISLUS Research Forum, CUNY Graduate Center, New York (USA)

Subject agreement variation: Confronting the hypothesis space with novel data (co-authors: Christina Tortora, Judy Bernstein, Raffaella Zanuttini, Goldie Ann Dooley, Erin Quirk)

20 April 2007 – 2nd Showcasing Quirky and Unusual Ideas in Development (SQUID) conference, CUNY Graduate Center, New York (USA)

What do I know?! Reflections on a rhetorical question

26 May 2006 – RISLUS Research Forum, CUNY Graduate Center, New York (USA)

Morpho-syntactic variation in Appalachian English (co-author: Christina Tortora, CSI & CUNY Graduate Center)

11–13 March 2005 – ‘Polarity from different perspectives’ workshop, NYU, New York (USA)

Parasitism, secondary triggering, and depth of embedding

29 June 2001 – Workshop on Basque and Hungarian linguistics, Leiden University (The Netherlands)

On the syntax of wh-questions in English and Hungarian

26 June 2001 – ‘Imperatives and functional projections: A workshop for Frits Beukema’, Leiden University (The Netherlands)

Restrictions on clitic climbing and the nature of restructuring (co-author: Mariví Blasco, CUNY)

22 June 2001 – Tabu-dag, Groningen (The Netherlands)

Direct and parasitic polarity item licensing

16 June 2001 – V-clusters Sprachbund Study Group of the Language Contact Study Center, Hungarian Academy of Sciences, Pécs (Hungary)

Verb clusters and phases

November 2000 – V-clusters Sprachbund Study Group of the Language Contact Study Center, Netherlands Institute for Advanced Studies, Wassenaar (The Netherlands)

Verb clusters in Germanic and Hungarian: An overview
