# Confidential Rapid-HIV testing and HIV-education

**Wednesday, November 11  
11-3, walk-in  
Room C197**

Conducted by **Ryan-NENA Community Health Center**. A rapid HIV test is a quick and painless procedure. Patients can choose either an oral or finger stick test; both tests produce results in just 20 minutes. Our staff will provide comprehensive, **confidential** counseling and will connect you quickly to medical services if needed.
